Dear Parents/Guardians,

P4 Semester 1 Assessment Schedule

1. The school will be conducting a series of assessments (weighted and non-weighted) in Semester 1 for Primary 4 to support and facilitate the students in their learning. These assessments are designed in different modes aimed to provide students with feedback to move their learning forward.
2. Attached is Semester 1 Assessment Schedule which includes assessment coverage for key assessments in English, Mathematics, Science and Mother Tongue. Semester 2 Assessment Schedule will be given at a later date.
3. Please note that if your child/ward is absent for any of the class-based assessments, the school will arrange for him/her to sit for the make-up assessment within the next 5 working days.
4. For Mid-Year and End-of-Year examination, the absence of your child/ward must be supported with a medical certificate (MC) from a certified doctor. He/She is to submit the MC to the Form Teacher upon returning to school. Thereafter, he/she will be given a 'Valid Reason' (VR) for the examination and the marks will be pro-rated accordingly. For any student whose absence is not supported by an MC, the paper will be awarded zero mark.
5. If you have any questions, please email the school at xishan_ps@moe.edu.sg or you may contact us at 6758 8837.
6. We look forward to working in close partnership with you to provide the best support in your child's/ward's learning.

Thank you.
