Setting a Good Password with My Child/Ward

How to Create a Strong Password?

1. Use a mix of characters by including upper case, lower case and symbols.
2. Creating a passphrase that is unique to your child/ward

Interesting Ways to Remember My Password!

1. Use of Stories
(For example: Ihave2cats!)

2. Use of Acronyms
(For example: I have 2 beautiful cats at home! ------> Ih2bcah!)

3. Use Favourite Things
(For example: CatsLegoPink@)

I need help to reset password!

Helpline Available:

For SLS / student ICON accounts: ict@xps.edu.sg

For subject specific platforms (Koobits / ezhishi etc), please contact various subject teachers.

Not sure who to look for? Fret not! You may contact our school office at +65 6758 8837. Your request will be forwarded accordingly.

*Please note that it may take up to 3 working days to process your requests. Thank you for your kind understanding in advance.
